DETAILED ACTION

This communication is responsive to preliminary amendment filed on December 05, 2003.

Applicant cancels claims 1-20 and adds new claims 21-26.

Allowable Subject Matter

The following is an Examiner's statement of reasons for the indication of allowable subject matter:

1. Claims 21-26 are allowable.
2. The following is an Examiner's Statement of Reasons for Allowance: Claims 21-26 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches a portable communicator comprising a wireless communication device, a portable computer device, an image input device wherein a body of the portable communicator equipped with the portable computer device comprises a switch, a display unit for showing menu screen to command to input an image using the image input device, and a direction changing device which holds the image input device and enables the image input device to change directions in comparison with the direction of the body in the display side and the opposite side of the display side.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue
